Morning Prayer

Almighty God, I am in awe that you made me in your image and breathed the Spirit of life into me. Help me to live this day open to your presence. Help me to worship you alone with my body, mind, and spirit, delighting in what is good and turning from what is not. Teach me to bring peace. In Jesus Christ I pray, Amen.

Evening Prayer

O God, thank you for your care today. As I move into evening, help me to recall with thanksgiving the wonders I have known, the joy I have felt, and your love I have received. Forgive me for the ways in which I misused what you intend for good. Grant the peace of sleep to all who are weary; and let us rise to a new day, giving you praise. In Jesus Christ I pray, Amen.

Daily Prayer

June 26 We give thanks for the care the church provides to vulnerable children in Malawi through PWS&D.

June 27 We pray for the people, ministries and mission of the Presbytery of Westminster in BC.

June 28 We pray for the members and work of the International Affairs Committee.

June 29 We pray for the people, ministries and mission of the Presbytery of Brandon in Manitoba.

June 30 We pray for congregations going through times of transition. May they be patient and open to seeing and acting on God's will in challenging times.

July 1 *Canada Day* We pray Canada will be a just, equitable and welcoming country. We pray for politicians and public servants who form and keep our laws.

July 2 We give thanks and pray for pastors and congregations of the Reformed Church in Transcarpathia, Ukraine, who are welcoming and showing hospitality to refugees and displaced people during the war.

Readings next week

2 Kings 5:1-14; Psalm 30
Galatians 6:1-16; Luke 10:1-11, 16-20

MISSION MOMENT: In Malawi, Winson is the sole guardian of Emmanuel, his 11-year-old grandson. Emmanuel, who is HIV positive, was often sick in the first nine years of his life despite being on antiretroviral drugs to treat his HIV status. One day, Winson attended a workshop on making backyard gardens, where he learned how these gardens can improve nutrition. Inspired, Winson planted his own backyard garden with various vegetables. The garden has not only improved his family's diet but has also become a source of income. Now, Emmanuel is not getting sick as often as he used to. This project, providing assistance to vulnerable children and their caregivers, is supported through the church by Presbyterian World Service & Development.
