Genesis 18:1-10a; Psalm 15

Colossians 1:15-28; Luke 10:38-42

**MISSION MOMENT:** "We left our home after a severe drought destroyed our crops and caused us to lose all of our livestock," shared Hodan Hassan, who lives with her husband and their three children in Somalia. Hodan's 14-month-old child Suheyb became severely malnourished due to insufficient food. During a home visit a community nutrition worker determined Suheyb and his siblings were malnourished and that Suheyb's life was in danger. She needed immediate treatment. Just two weeks of therapeutic nutritional support improved her well-being and Suheyb's weight was significantly healthier. "I am very happy to see my child's health improve," expressed Hodan. This project is supported by PWS&D in partnership with Canadian Foodgrains Bank.
